The Gulf nation of Oman has become the latest country to join the Global Laser-Run City Tour circuit, with two competitions held in March 2018.

Participants of all ages and abilities got their first taste of Laser-Run in Muscat's Sultan Qaboos Sport Complex on March 17 and the Sohar Sport Complex on March 23.

Laser-Run in Oman is organized by the Dolphin Swim Center in Muscat with support from two other sponsors, ORPIC Oman and Falcon Graphics.

The LRCT was inaugurated in 2017 with around 80 cities taking part and there are about 100 competitions scheduled on the global circuit throughout 2018.
