UIPM President Dr Klaus Schormann said: "We are now entering the high point of the 2021 season where we will have three competitions of the highest prestige – the UIPM 2021 Pentathlon World Cup Final, the UIPM 2021 Pentathlon and Laser Run World Championships and the Olympic Games Tokyo 2020 taking place in 2021.

"I congratulate all 72 athletes who have earned the right to compete in Pentathlon World Cup Final

in Szekesfehervar. Not only have they performed well, they have overcome very difficult situations linked to the pandemic with limited opportunities to train and competing.

“I also congratulate all coaches, trainers and support staff who have helped these athletes to achieve something very special. We are very excited to see them compete for the title of Pentathlon World Cup Final champion in Hungary, where we will have finals for women and men and a Mixed Relay, which is so important to the future of our movement.”
