

RECRUIT a SHOOTING Educator

- *Full time contract*
- *In Qatar (Middle Est)*
- *Advantageous conditions*
 - *Prospect*

Clement Sports company is running a fencing Academy and now open a shooting-archery academy.

No need applicant to be with high level practice but rather an educator with good pedagogical skills. The target audience is essentially school and leisure club children / teenagers. A young educator is also welcome, even if he has little experience. Company can develop on-site pedagogical skills.

The candidate has to get good communication, pedagogical and adaptative skills. He will be running shooting classes and may help also on fencing activity

Without speaking fluently at the beginning, the candidate has to get basics in English so he will learn fast. All classes are conducted in English and French, but only English is mandatory ; French is a plus.

Application should be sent to: **Clement@ClementSports.com** with:

- a detailed CV which specifies the skills, and describes the previous jobs (if there are) in terms of acquisition of skills and knowledge. CV must include marital status, phone contact, Skype or Whatsapp contact, sports and languages
- the copy of the highest sports degree and or academic degree
- the copy of the passport
- One video for group class with kids (below 12), whatever the sport
- One video for individual class with kid (below 12) whatever the sport
- Expectation salary and allowances
