UIPM 2019 PENTATHLON WORLD CHAMPIONSHIPS: HOW TO WATCH THE ACTION IN BUDAPEST (HUN)

Television viewers in 144 countries will have the opportunity to watch Modern Pentathlon's flagship annual competition when the UIPM 2019 Pentathlon World Championships take place in Budapest (HUN) next week.

The 2019 championships will run from September 2-8, with the UIPM Laser Run World Championships incorporate alongside the Olympic sport of Pentathlon for the first time.

On September 8, during the Mixed Relay, UIPM's global community will have the opportunity to come together on all UIPM social platforms to celebrate the 2nd Pierre de Coubertin Pentathlon Day (#PentathlonDay).

Thirty-four networks have signed up to broadcast live (or "as live") coverage of the UIPM 2019 Pentathlon World Championships, resulting in 133 hours of broadcasting time, reaching a potential 431 million homes.

Live coverage will be available on the Olympic Channel as well as [UIPM TV](#), with up-to-date results available at the [UIPM website](#) or through the "UIPM Central" app throughout the

championships.
