UIPM PRESIDENT'S ACTIVITIES: APRIL 2021

07.04.2021: Darmstadt, GER

Prior to UIPM Pentathlon World Cup Sofia (I), UIPM Secretary General Shiny Fang visited the UIPM President's Office to discuss various matters relating to the future with UIPM President Dr Klaus Schormann.

Dr Schormann invited Mrs Fang to discuss the rescheduled Tokyo 2020 Olympic Games and important steps in preparation, how UIPM can continue to handle the COVID-19 Coronavirus pandemic in future competitions and how UIPM will approach the remaining three years of the Paris 2024 Olympic Games cycle.

This was a very important meeting for the future of UIPM and internal working processes between UIPM Headquarters and the President's Office, which are now streamlined for the coming years.

12.04.2021: Monaco, MON

UIPM President Dr Klaus Schormann and Secretary General Shiny Fang met HSH Prince Albert II of Monaco, the UIPM Honorary President, within the Prince's Palace of Monaco.

They discussed matters of international sporting politics, gender equality and the environment, the UIPM movement within the IOC, preparations for Tokyo 2020, steps linked to Paris 2024 and the electoral UIPM Congress, which is scheduled to take place in November 2021.

The vaccination of athletes and officials as a means of managing the pandemic through upcoming UIPM competitions and the Olympic Games was also discussed.

The strong relationship between UIPM and the Government of Monaco will continue to be a helpful pillar in the coming years.

14.04.2021-19.04.2021: Sofia, BUL

President Dr Schormann attended UIPM Pentathlon World Cup Sofia (II), which took place in very

difficult weather conditions. Thanks to the excellent preparation and organisation of the Bulgaria Modern Pentathlon Federation (BMPF) an excellent presentation of Modern Pentathlon was achieved.

During the competition the UIPM President had meetings about a Modern Pentathlon Centre within the Sport University in Sofia (BUL) and discussed future international competitions in Bulgaria with BMPF President Andrey Kuzmanov and Secretary General Kameliya Aleksandrova.

21.04.2021-26.04.2021: Budapest, HUN

President Dr Schormann attended the third and final test event for the new Modern Pentathlon format, designed for the Paris 2024 Olympic Games, to gain a perspective of how the athletes perform in this new format.

The feedback given by all athletes and coaches in Budapest (HUN) was nearly 100% positive and the new format is an important step for the future of Modern Pentathlon, which will enable viewers and spectators to see all five disciplines in 90 minutes. The format is also more attractive for athletes.

During the competition Dr Schormann had several constructive meetings with Dr Gyula Bretz, President of the Hungarian Modern Pentathlon Association (HMPA) and Dr Krisztian Kulcsar, President of the Hungarian Olympic Committee.?
