## **FEI / UIPM cooperation**

On August 17 UIPM President Dr Klaus Schormann met with his International Equestrian

Federation (FEI) counterpart Ingmar De Vos, who had offered support in the immediate aftermath of the Women's Final in Tokyo (JPN).

President De Vos agreed during the meeting to provide two specialists who will work with UIPM as consultants, advising on technical jumping and veterinary aspects of horse welfare.

UIPM President Dr Schormann said: "I am delighted that we have the support of the FEI along with our own expertise within Modern Pentathlon as we work towards solutions that result in improved horse welfare and athlete safety in our sport.

"I am grateful to FEI President Ingmar de Vos and very pleased that we are entering a new era of cooperation between our two International Federations."

### **UIPM Disciplinary Panel**

As provided for in the UIPM Code of Ethics, a three-person Disciplinary Panel has been appointed by the UIPM Executive Board to review the events of the Riding competition in the Tokyo 2020 Olympic Games Women's Modern Pentathlon on August 6.

The Disciplinary Panel is composed of **Rob Stull OLY** (NORCECA Modern Pentathlon Confederation President), **Martin Dawe** (UIPM Executive Board Member for Marketing) and **Dr Viacheslav Malishev** (UIPM Executive Board Member for Development).
