UIPM 2024 PENTATHLON WORLD CUP SOFIA: CLOUVEL (FRA) OUT IN FRONT AFTER DRAMATIC WOMEN'S SEMI- FINALS

- Rio 2016 medalist and Jawaid (SWE) lead way with strong Fencing rounds
- Olympic champion French (GBR) joins three-way Great Britain fight in Final
- In-form Seong (KOR) and red-hot Heredia (ESP) among 18 qualifiers for Super Sunday

France's Elodie Clouvel roared back to form to put a medal firmly in her sights after an engrossing pair of Women's Semi-finals at UIPM 2024 Pentathlon World Cup Sofia on Friday.

Rio 2016 Olympic silver medalist Clouvel (FRA) is targeting a first podium of the 2024 Olympic season and jumped to the head of the field with a dominant performance in the Fencing Ranking Round racking up 26 Wins. **Marlena Jawaid** of **Sweden** was the only competitor to get close to that tally picking up 25 Wins.

Behind the leading duo, Super Sunday will also see a three-pronged battle between **Great Britain's** Paris 2024 hopefuls with reigning Olympic champion **Kate French** dramatically snatching a place alongside join compatriots **Jessica Varley** and **Emma Whitaker** in the Final. The race to potentially join World No. 3 **Kerenza Bryson** (GBR) at the Olympics remains an intriguing one.

Lithuania will also boast three competitors among the 18 finalists after **Elzbieta Adomaityte** (LTU) joined teammates **Gintare Venckauskaite** (LTU) and **Ieva Serapinaite** (LTU) in making it safely through the penultimate stage.

On a chilly Friday in the Bulgarian capital, Jawaid (SWE) built on her brilliant Fencing performance to win Semi-final A with Varley (GBR) not too far behind her. In-form **Korean Seungmin Seong** (KOR) also made it safely through as she chases a third-straight podium after taking World Cup silvers in both Ankara and Budapest last month although her Fencing struggles may hamper that bid.

Blanka Guzi of **Hungary** and **Salma Abdelmaksoud** of **Egypt** were also among the pack of qualifiers with the returning French (GBR) grabbing the ninth of final spot.

The afternoon's second Semi-final was largely dominated by Clouvel (FRA) although **Annika Zillekens** of **Germany** showed off some stellar shooting to cross the line first and lead the qualifiers. **Spain's Laura Heredia** produced the day's fastest Laser Run time of 11:47.30 to secure her spot.

Much of the drama was further back with four competitors fighting for the final three places: **Alice Rinaudo** of **Italy**, U19 World Champion **Malak Ismail** (EGY) and the British duo of Whitaker and **Olivia Green** (GBR). It all came down to the final shoot where Green (GBR) was the one to be squeezed out with World No.9 **Rebecca Langrehr** (GER) also missing a final place.

Pentathlon World Cup Sofia continues tomorrow (May 11) with the Men's Semi-finals, followed by the Finals on May 12 and the Mixed Relay on Monday May 13.

Live stream of the Semi-finals and Finals is available on UIPM TV and all competition results are available at the UIPM website.
