# UIPM 2024 LASER RUN WORLD CHAMPIONSHIPS: WU AND LIU COMPLETE 'TRIPLE CROWN' FOR CHINA

**Xiayao Wu** teamed up with **Zhenfeng Liu** to help **China** complete their dominance of the senior categories at the UIPM 2024 Laser Run World Championships.

Men's Individual bronze medallist Liu (CHN) fought to the end of a captivating Mixed Relay to deliver the host nation a third senior gold medal in successive days, following the individual victories of Wu (CHN) and Shuai Luo (CHN).

The Mixed Relay was the hardest of the three to secure, with less than 2sec combining the gold, silver and bronze medallists. **Lorenzo Macias** and **Mariana Arceo** of **Mexico** came within 1sec of the title after a late surge, with **Shyra Mae Aranzado** and **Samuel German** of **Philippines** also involved in an incredible three-way sprint finish.

On the final day of Laser Run before Modern Pentathlon takes prominence in the Zhengzhou Olympic Sports Centre, there was a notable success at Junior level for **Juliana Shane Sevilla** and **Melvin Sacay** (PHI), while China and **Egypt** each won three of the Youth categories and there were two Masters gold medals for **South Africa**.

With 550 athletes representing 24 countries, the Laser Run World Championships was a global showcase of UIPM's most popular development sport with athletes of all generations coming together to compete for world titles in age grades from Under 9 to Masters 70+.
