NAMIBIA MODERN PENTATHLON FEDERATION AGM HELD

As one of the emerging countries from the African continent, Namibia showcased some of its burgeoning talent at last year's Biathle Triathle World Championships and now hopes to build on that success as it looks to establish the five disciplines of Modern Pentathlon in its country.

The Annual General Meeting (AGM) mapped out plans for the next few years with high hopes that its athletes can impact once again on the world stage.

There were discussions on constitutional changes followed by the President's and financial reports
