EXECUTIVE BOARD MEMBER FOR SPORT
CANDIDATE

Dear Presidents,

I would love to take only a few minutes of your time , to introduce myself and explain you why I decided to run for the Executive Board Member for Sport.

As International Judge of the UIPM family since 1983, I have been appointed to all the biggest world competitions and to the 2021 Tokyo Olympic Games. In 2021, I have been nominated Technical Committee Member, and the Executive Board has appointed me as one of the 3 Technical Committee Members of the last 2024 Paris Olympic Games.

In my opinion, one of the most important tasks of the Technical Committee, is to understand the needs of the athletes, coaches and of all the competition's organiser, to provide easier, clear and comprehensible rules, without any possible misunderstanding. If elected, I would love to share my experience with my team, trying to let all the Technical Committee members work in the same direction, strictly according to the rules.

I have always considered the UIPM as a second family, and this is the reason why, if elected, I would give all my energies to maintain this feeling.

I deeply regret not having had the opportunity to personally meet you, but your National coach can surely give you an impartial picture of me !

I really appreciate the time you have spent in reading me, and I remain at your disposal if you need any other information.

Waiting to see you next November at the UIPM Congres in Riyadh.

Sincerely yours,

Agnese Tomassi
