Dear Sir/Madam,

On behalf of the Australian Olympic Committee (AOC), we have great pleasure in supporting the nomination of Kitty Chiller OLY AM, for the position of Vice President of the Union Internationale de Pentathlon Moderne. For over four decades Ms Chiller has made an outstanding contribution to the sport of Modern Pentathlon as an athlete and administrator. Her contribution is driven by her passion for the power of sport to make a positive difference and for that to be reflected in her sport, Modern Pentathlon.

In addition to her own sport, over many years, Kitty Chiller has made a positive contribution to the AOC and the Olympic Movement in Australia as a member of the AOC Executive. Her leadership was recognised when appointed Chef de Mission for the Australian Team to the 2016 Rio Olympic Games.

Kitty's respected experience and knowledge as a sports administrator, is reflected in her appointments to Games organising committees and particularly, to Chief Executive Officer of Gymnastics Australia and Deputy CEO of the Australian National Sports Tribunal. With the addition of her experiences from roles in international sporting organisations, Kitty will bring exceptional knowledge of the global sporting environment and the Brisbane 2032 Games to the board of UIPM.

In the view of the AOC, Kitty Chiller would make for an exceptional Vice President.

Kind regards,

Ian Chesterman AM  
President

Matt Carroll AM  
Chief Executive Officer and Secretary General
