The UIPM Executive Board (EB) approved Motions to be tabled at the UIPM 2021 Congress taking place on November 27/28 – the first in the history of the Union to be held online:

- Election Rules
- Rules on Internal Organization
- Code of Ethics
- Medical Rules
- Masters Rules
- Biathle-Triathle Rules
- Modern Pentathlon Competition Rules and Equipment Regulations

The meeting came less than four weeks after the extraordinary meeting in which the EB approved to propose a Modern Pentathlon format for the Los Angeles 2028 Olympic Games without Riding to be ratified by following UIPM General Assembly. UIPM President Dr Klaus Schormann praised the progress made already by those involved in the initial meetings to kickstart the ‘5th Discipline’ consultation process.

The EB agreed to set up a working group to examine potential changes to the Paris 2024 Olympic Games qualification system, with a proposal to be sent to the IOC by the end of 2021.

The EB also approved the 2022 UIPM competition calendar and confirmed the following event awards:

- 2022 Pentathlon World Cup Final: Ankara (TUR)
- 2023 Biathle-Triathle World Championships: Bali (INA)
