

UIPM Executive Board Meeting Summary

Online, 16 January 2023

The first meeting of the UIPM Executive Board (EB) in 2023 enabled open discussions around a range of topical matters relating to the upcoming 2023 season:

- The IOC Session taking place in October 2023 where the composition of the Los Angeles 2028 Olympic Games sporting programme would be decided
- New opportunities to grow UIPM's National Federation (NF) membership community
- Key competitions in 2023 including the flagship UIPM Pentathlon and Laser Run World Championships in Bath (GBR)
- Service package (materials) and events related to the new Obstacle discipline
- Multi-sport Games and Olympic qualification events in 2023
- BID documents and fees relating to the UIPM Global Laser Run City Tour and Biathlon-Triathlon National Tour
- The newly-introduced UIPM U15 World Championships

UIPM President and all EB members had the opportunity to update on recent activities and their respective outlook for 2023.
