ARTICLE 8

- 8.1 Each candidate for President, Vice-President and the Executive Board will have the opportunity to make a presentation to the Members during the General Assembly. The presentation should be focused on the credentials of the candidate and the vision of the objectives for the term, if elected. The presentation shall last no more than 3 minutes and may include video presentations and multi-media.
- 8.2 Candidates for other positions have the right to be introduced at the General Assembly by the chair. They can provide all Members with a brief statement -not longer than one minute- containing their vision and their objectives for the term.

ARTICLE 9

- 9.1 In the event of a single candidate standing for a particular post, such candidate shall in any case obtain an absolute majority of votes cast to be elected. If the candidate does not obtain an absolute majority of votes cast, another candidate must be found.
- 9.2 In the event of multiple candidates standing for a particular post, the candidate or candidates achieving an absolute majority of votes cast in the first ballot is elected.

- 9.4 The remaining candidates go forward to the next ballot. This procedure will be continued until a candidate has gained a simple majority of votes cast.

- 9.5 If there are only as many candidates as persons required for a body, the body concerned may be elected in one poll. The candidates shall in any case obtain an absolute majority of votes cast to be elected. If this is not the case separate elections must be held for each vacant position.
- 9.6 If there are more candidates than positions, the candidates elected are those who received an absolute majority of votes cast.
- 9.7 An unsuccessful candidate for any position may, if also so nominated, be included in a subsequent election for any other position.

ARTICLE 10

- 10.1 "Simple majority" requires the successful candidate to receive more votes than the votes cast for any other candidate.
- 10.2 "Absolute majority" requires the successful candidate to receive at least one more than half of the total number of votes cast. In assessing the total number of votes cast in relation to a requirement for an absolute majority, odd numbers are to be rounded up.
- 10.3 The following shall not be counted as valid votes: abstentions, blank votes, votes for more or fewer candidates than the number required, votes declared void by the scrutineers whose decision will be final (e.g. unintelligible votes).
- 10.4 The President of the General Assembly shall announce the result of the elections, stating the number of valid votes cast for each candidate. The results of the elections will also be published on UIPM website.
- 10.5 The signed scrutineers' result will be kept and archived at the UIPM Headquarters.
- 10.6 The ballot papers shall be kept in a sealed container for 100 calendar days after the elections and then destroyed.

ARTICLE 11

- 11.1 If the result of the elections is challenged, any protest shall be made in writing and presented to the President of the General Assembly before the closing of the respective meeting of the General Assembly. The protest will be handled by the Electoral Committee in accordance with the UIPM Code of Ethics.
- 11.2 Any Member is entitled to bring a breach of these rules to the attention of the Electoral Committee. The Electoral Committee shall immediately inform in writing the Executive Board to conduct an inquiry in accordance with the UIPM Code of Ethics.

- 11.3 Any matters related to or arising out of the elections not provided for in these rules should be dealt with by the Electoral Committee.

UIPM CODE OF ETHICS

EFFECTIVE AS OF NOVEMBER 28, 2021

UIPM CODE OF ETHICS

CHAPTER I LEGAL BASIS & JURISDICTION

- 1.1 This code of ethics (hereinafter 'the Code') is issued on the basis of the UIPM Statutes. It restates the commitment of UIPM to the Olympic Charter and Bye-Laws, in particular the IOC Code of Ethics, and UIPM's loyalty to the Olympic ideal inspired by Pierre de Coubertin, the founder of Modern Pentathlon. 'Modern Pentathlon' hereinafter bears the meanings prescribed in the Statutes depending on the context.
- 1.2 The Code applies to all Members (as defined in the Statutes), their members and every participant in Modern Pentathlon. It applies to organising committees of UIPM competitions. It also applies to everyone associated with all participants, including managers, agents, coaches, physical trainers, medical staff, scientists, sports organisations, sponsors, lawyers and any person promoting an athlete's sporting career, including family members ('the Athletes' Entourage'). All athletes and the members of the Athletes' Entourage are subject to the IOC guidelines for Athletes' Entourage, as updated and modified from time to time, as shown on the IOC website (www.olympic.org).
- 1.3 The Code may not be invoked where the subject matter of the Complaint:
- Derives from an issue of judgment on the field of play.
 - Is more appropriately covered by applicable competition rules.
 - Is against a UIPM employee acting as such in circumstances where the procedures in the employee's contract are more appropriate.
 - Is more appropriately subject to the jurisdiction and pending determination of the UIPM Medical Rules.
 - Is subject to the jurisdiction and pending determination of UIPM's Anti-Doping Rules and UIPM Anti-Doping Procedures. However, the Code covers any breach of the UIPM Anti-Doping Rules and UIPM Anti-Doping Procedures not directly sanctioned by them.

CHAPTER II RELEVANT CONDUCT

- 2.1 Doing, attempting, agreeing to do or encouraging any of the following is a breach of the Code.
- Discrimination of any kind on whatever grounds, be it ethnical origin, gender, sexual orientation, language, religion, political or any other opinion, national or social origin, property, birth or other status;
 - Harassment and abuse of any kind, be it physical, professional or sexual, and any physical or mental injuries.
 - Acting corruptly;
 - Direct or indirect solicitation, acceptance or offer of any form of remuneration or commission, or any concealed benefit or service of any nature, connected with the organisation of the Olympic Games or UIPM competitions or multi-sport event; Exempted are gifts of nominal value. Any other gift must be passed on to the organisation to which the beneficiary is a member;
 - Participation in any form of betting or support for betting related to the Olympic Games or any event or activity under the jurisdiction of the UIPM;
 - Improperly influencing the course or result of the Olympic Games and/or any other Modern Pentathlon event;

2.2 For the avoidance of doubts, a conflict of interest is defined as any personal, professional or financial relationship, including relationships of family members that could influence or be perceived to influence objectivity when representing or conducting business or other dealings for or on behalf of UIPM. Family members include a spouse, parent, child or spouse of a child, sibling, spouse of a sibling, cohabitating companion or any other individual with a significant familial or familial-like relationship.

Conflicts must be avoided whenever practicable. However, conflicts may be linked to experience and expertise that is necessary to represent UIPM in its governing bodies as well as in competitions and events.

2.3 The appearance of impropriety can be as damaging as actual impropriety to the UIPM's reputation. As a result, compliance with this Code will avoid, to the fullest practicable extent, both the perception and incidence of improper situations. A substantial appearance of a conflict of interest exists whenever an individual involved in any capacity with UIPM is involved in or perceived to be involved in multiple interests, one of which could possibly influence, or is perceived to influence the motivation for an act in the other.

2.4 At least every other year and more often as necessary, UIPM President, each UIPM Executive Board member, Member of a Committee or a Commission, other member of a body or group designated by any of the former to act on behalf of or advise UIPM (including but not limited to working groups and task forces), and senior UIPM employees ("UIPM Representatives") must disclose any conflict by submitting the appropriate form to the UIPM Secretary General. Senior UIPM employees are department heads or anyone exercising substantially similar decision-making discretion. Such template is attached hereto as Annex 2. On an annual basis, prior to their appointment, and more often as necessary, UIPM Officials (a person appointed by UIPM or by an Organising Committee and/or NF to perform a specifically defined officiating duty at an UIPM Event such as judges, veterinaries and doctors) are also requested to provide a signed copy of the declaration attached hereto as Annex 3. The Secretary General must submit a copy of the appropriate form to the President.

2.5 Any UIPM Representative with a conflict of interest with respect to a given person or concern must:

2.5.1 Disclose the interest to the Secretary General, who shall have the authority to either:

- a) approve or disapprove the relationship if with respect to an employee other than the Secretary General;
- b) refer the matter to the UIPM Executive Board for evaluation by the UIPM Disciplinary Panel;

2.5.2 Not be present during or participate in any formal or informal discussions related to the relationship between UIPM and the person or concern unless and until notified by the Secretary General or the UIPM Disciplinary Panel; and

2.5.3 Not be present during any discussion and abstain from voting and from influencing the vote on any matter related to the person or concern.

The Secretary General may disclose decisions

taken under 2.51(a) or 1(b) above in the interest of transparency.

- 2.6 If a conflict of interest involves the Secretary General, the matter shall be referred to the UIPM Disciplinary Panel by the UIPM President.
- 2.7 For the avoidance of doubt and to avoid any appearance of impropriety, UIPM Representatives shall abstain from voting and from influencing the vote on any matter related to the country of which they hold citizenship or to Athletes representing the same country.

CHAPTER III COOPERATION

- 3.1 Any one subject to the Code must co-operate fully with any inquiry into a breach of the Code undertaken by UIPM and on written request must provide specific information which UIPM considers relevant to investigate any potential breach.

CHAPTER IV PROCEDURE

(viii) An order for payment of the costs of and incidental to the Disciplinary Panel hearing including costs incurred by the Applicant, and the cost of convening the Panel and associated with the hearing. Costs shall be reasonable and proportionate. Liability for costs will normally follow the event.

5.3.2 Unless otherwise specified, disqualification or a

- 5.3.3 In case of breach of disqualification by an athlete, the athlete's results of competitions in the disqualification period are void, and the disqualification period originally imposed shall start again from the date of violation.

- 5.4.1 Any equipment used by an athlete and not compliant with the UIPM Competition Rules may be seized and confiscated by the Competition Jury and on request and at the expense of the National Federation may at the Jury's discretion be returned to the athlete's National Federation at the end of the competition season.
- 5.4.2 Any equipment utilised in a breach of the UIPM Competition Rules or this Code may be confiscated by a Competition Jury.

5.5 Suspension from Membership

A Member in serious breach of this Code may be suspended from membership for a period for up to four years.

CHAPTER VI ORGANS AND JURISDICTION

- 6.1 Disciplinary power under this Code is exercised in first instance at the request of the UIPM Executive Board which shall appoint a committee of up to 3 persons (the "Disciplinary Panel") who shall all be independent of the events in dispute (but who may be members of the Executive Board) to address them on such terms as the Executive Board prescribes.
- 6.2 Appeals against disciplinary decisions of the Disciplinary Panel may be made to the UIPM Court of Arbitration.

CHAPTER VII UIPM COURT OF ARBITRATION

7.1 Composition

The UIPM Court of Arbitration is an independent institution made up of one or three arbitrators ('the Court'). The Court shall comprise three arbitrators unless the parties agree to proceed with one. One of the members of the Court must have at least 7 years post qualification legal experience.

- b) to arbitrate controversies between Members;
- c) to decide on appeals against penalties imposed by the Disciplinary Panel;
- d) to decide on appeals against decisions of executive boards of Continental Confederations.

7.4 Establishing the Court

In a case involving a 3-person panel each party shall nominate one arbitrator. If a party fails to make an appointment within 10 days of notice of a claim, the other party may seek the appointment of the second arbitrator by the UIPM Secretary General. The appointed arbitrators shall agree on a President. If they do not reach an agreement within 10 days from

the date of the appointment of the second arbitrator the President shall be appointed by the President of the CAS Lausanne on the motion of a party or either arbitrator.

CHAPTER VIII PROCEEDINGS FOR UIPM COURT OF ARBITRATION

- 8.1 As regards an appeal against a decision of the Disciplinary Panel the following provisions shall apply.
- 8.2 Either party may seek to appeal any final decision of the Disciplinary Panel but an Appeal may only be brought with permission from the Disciplinary Panel and if permission is refused from the Court.
- 8.3 Within 21 days of notification to the parties of the Disciplinary Panel's decision the party wishing to appeal (the "Appellant") must notify the Disciplinary Panel, the Court and the UIPM Secretary General in writing of his wish to appeal and must set out in reasonable detail why the decision of the Disciplinary Panel was wrong.
- 8.4 The Court shall consider whether to grant permission to appeal part or all of the Disciplinary Panel's decision taking into account the nature, importance and prospective viability of the issues sought to be raised on appeal, the availability of any fresh evidence not previously produced through no fault of the Appellant, and all other relevant factors.
- 8.5 As regards all other matters the following provisions apply.
- 8.6 Any claimant must lodge his claim with the UIPM Court of Arbitration in writing by registered letter to the UIPM Secretary General.

- 8.13 The UIPM Court of Arbitration may also rule on the costs of the proceedings. Upon filing of the arbitration request, the claimant shall pay a fee of USD 300, without which the UIPM Court of Arbitration shall not proceed. Upon formation of the Court, the President of the UIPM Court of Arbitration shall fix, subject to later changes, the amount and the method of payment of the advance costs.
- 8.14 Appeal against decisions of the UIPM Court of Arbitration may be filed with the Court of Arbitration for Sports (CAS), Lausanne.

CHAPTER IX EXEMPTION FROM LIABILITY

- 9.1 Anyone acting in good faith in operating the Code (including the Executive Board, any Disciplinary Panel and any Court and their members) is exempt from any liability for claims in respect of their actions.

CHAPTER X ENTRY INTO FORCE

- 10.1 This Code replaces the UIPM Disciplinary Rules and enters into force when adopted by UIPM General Assembly.

ANNEX 1

UIPM PROCEDURAL RULES

- 1 Where a breach of the Code is alleged the following Rules shall apply unless and to the extent that it is agreed or is just to adopt a different approach.
- 2 The parties to the process are called 'the Applicant' and 'the Respondent'.

Objective

- 3 The over-riding objective of these Rules and of the process is to provide UIPM with procedures to determine disciplinary complaints and related issues in a fair, flexible, appropriate and proportionate manner.
- 4 To this end the Disciplinary Panel may waive any formal requirements and procedures established by these Rules if and to the extent that it is just to do so and shall at all times regulate their procedure so as to comply with their overriding objective. In particular, the Disciplinary Panel may dispense with any requirement in respect of notices, the formal evidence of witnesses, service of documents, or as to time, if and to the extent it is just to do so.
- 5 Hearings held in connection with competitions may be conducted by an expedited process depending on the circumstances of the case.
- 6 The parties have to be granted a timely, fair and impartial hearing. The parties may waive their right to a hearing.

Finality

- 7 Disciplinary Panel decisions are final and binding on the parties and may not be challenged other than by appeal to the UIPM Court of Arbitration.

Procedure

- 8 Every allegation of a breach of the Code (hereinafter a 'Complaint') shall be:
 - a) Made promptly and, unless there are circumstances which the Disciplinary Panel accepts justify delay, within 30 days of the underlying events
 - b) Made in clear terms in writing setting out in reasonable detail the matters and breaches alleged so that the Respondent may know the nature of the Complaint.
 - c) Supported by a written statement, signed and verified by the Applicant, and if appropriate by supporting

written statements, addressing the substance of the Complaint at a length and in detail proportionate to the matters in issue and provided to the Respondent and the Disciplinary Panel.

- 9 Unless otherwise directed all notices and communications to the Disciplinary Panel shall be sent by hard copy and e-mail to the UIPM Secretary General.

Preliminary consideration of a Complaint

- 10 On receipt of a Complaint the Chairman of the Disciplinary Panel shall promptly determine whether it falls within the jurisdiction established by the Code, and whether a prima facie case is established. If in the Chairman's opinion the Complaint is inadmissible, or no prima facie case is established, the Chairman may dismiss the Complaint in writing without hearing the Respondent.
- 11 If in the Chairman's opinion the parties should be given the opportunity of making representations as to whether a prima facie case is established, the Chairman shall arrange for service of a copy of the Complaint upon the Respondent inviting representations in writing within 14 days, and after considering the same the Chairman shall decide whether a prima facie case is established.

Service of the Complaint

- 12 If the Complaint passes preliminary consideration, the Applicant shall arrange for service of a copy of the Complaint on the Respondent, whom shall provide a detailed written response and rebuttal, if any, within such time as the Disciplinary Panel considers appropriate.
- 13 If it appears to the Disciplinary Panel that the Complaint requires amendment, the Committee may at any time permit an amendment. If in the opinion of the Disciplinary Panel the amendment would cause undue prejudice, the Disciplinary Panel may refuse the amendment or allow the amendment granting an adjournment of the hearing or giving other directions on such terms as to costs or otherwise as the Disciplinary Panel thinks fit.
- 14 No Complaint may be withdrawn without the consent of the Disciplinary Panel.

Directions

- 15 The Disciplinary Panel may at any time give such directions as it thinks appropriate for the conduct of the hearing of the Complaint.
- 16 On receipt of the Respondent's response the Disciplinary Panel shall consider whether an oral hearing of the Complaint is appropriate, and if so shall fix the

time, day and place for the hearing, and give notice thereof to the parties. In considering the timing of the hearing the Disciplinary Panel may take into account whether other proceedings may arise from the subject matter of the Complaint and if so whether any postponement until the conclusion of such proceedings is appropriate.

- 17 The Disciplinary Panel may require the parties to attend or contribute to a directions hearing (which may be by video link, telephone conference or otherwise as convenient) to facilitate the giving of directions and the hearing of the Complaint, and may communicate with the parties in any appropriate manner, including e-mail.
- 18 The Disciplinary Panel may at any time require the parties to supply such further information, documents and copies thereof as it thinks fit.
- 19 If it appears to the Chairman of the Disciplinary Panel that the hearing may involve specialist evidence, or has elements which are complex or difficult, he may, with or without holding a directions hearing, issue on behalf of the Disciplinary Panel an order for directions setting out a timetable for the exchange or sequential provision of information and evidence, witness statements or summary written arguments so that the hearing may be expeditious, properly conducted and fair. If appropriate the Disciplinary Panel may make similar orders during a hearing.
- 20 Unless the Disciplinary Panel directs otherwise each party shall provide the Disciplinary Panel and every other party at least 7 days before the day fixed for the hearing of the Complaint with a paginated copy of the documents on which that party intends to rely.

Open hearings

- 21 The Disciplinary Panel shall direct when the Complaint shall be heard and establish a timetable for the hearing. It shall be in private, provided that any other Member of UIPM may attend through a representative but not participate.

Adjournment

- 22 The Disciplinary Panel may of its own motion or at the request of any party adjourn or postpone any hearing on such terms as it thinks fit.
- 23 Where anyone appearing before a Panel is or is likely to be subject to other proceedings arising from the circumstances the subject of the Complaint, the Disciplinary Panel shall decide whether it is right to proceed. If it does not proceed to hear the case and adjourns the matter until the conclusion of the other proceedings, it may impose a temporary suspension

on the Respondent. Before so doing so the Disciplinary Panel must first give the Respondent an opportunity to make representations about temporary suspension.

The hearing

- 24 The Disciplinary Panel and/or the Court (as applicable) may shorten or extend time limits and regulate its procedures according to the requirements of each case. It need not adhere to strict or any rules of evidence but has the power to receive all information and materials to enable it to reach a just decision.
- 25 In the discretion of the Disciplinary Panel or the Court (as applicable):
 - a) A tape recording of the proceedings may be made. If so a copy of such recording shall be supplied to any party to the proceedings who requests one within 3 months of the hearing and reimburses the cost of supply.
 - b) The Disciplinary Panel or the Court (as applicable) may itself make or order that a note or transcript of the proceedings be taken. Any third party transcriber shall if required supply to any party to the proceedings a copy of the transcript of the proceedings on reimbursement of the cost.
- 26 The parties may be accompanied by and conduct their respective cases through a friend or adviser, whether legally qualified or not. The Disciplinary Panel and/or the Court (as applicable) may have its legal adviser present at any hearing and may take advice as to or after the hearing.
- 27 The standard of proof is on a balance of probabilities bearing in mind the seriousness of the matters alleged.
- 28 The Disciplinary Panel and/or the Court (as applicable) may refer to any previous proceedings. The fact, terms, and facts underlying any conviction, finding, sentence, determination, or judgment by any court, panel or Tribunal shall be admissible as prima facie proof of any fact.
- 29 If any party fails to attend in person or be represented at the hearing, the Disciplinary Panel may on being satisfied such party had notice of the hearing proceed to hear and determine the Complaint in his absence.

Procedure at the hearing

- 30 The Respondent will be asked whether the Complaint is accepted. In making any order, the Disciplinary Panel and/or the Court (as applicable) is entitled to take into account the Respondent's attitude to the Complaint and the timing of its disclosure.

- 31 In the event that the Complaint is contested the Applicant or his representative will open the case and call any witness(es) or produce the evidence to establish the Complaint.
- 32 It is the duty of the parties to notify their witnesses of the hearing date and venue and to arrange their attendance.
- 33 If at the conclusion of the Applicant's case there is a case to answer the Respondent will be given the opportunity to open his case, to give evidence, and to call such relevant witnesses as he wishes.
- 34 Subject to the control of the Disciplinary Panel any witness may be examined, cross-examined or re-examined on relevant matters.
- 35 After the parties have adduced their evidence the Applicant may summarise his case.
- 36 Thereafter the Respondent may summarise his case: the Respondent has the right to the last word.
- 37 The Disciplinary Panel will retire and consider its decision.

In the event the Complaint is established

- 38 If the Disciplinary Panel finds the Complaint admitted or established it shall:
 - a) Inform the Respondent (and subsequently provide short written reasons on request).
 - b) Give the Respondent the opportunity to speak and adduce evidence in mitigation, and if appropriate, in respect of costs.
- 39 No one else may address the Disciplinary Panel as of right but the Court may seek such further information as it requires from any person.
- 40 The Disciplinary Panel will retire and consider the appropriate decisions and orders.
- 41 The Disciplinary Panel and/or the Panel (as applicable) may announce its decisions and orders at the conclusion of the hearing or in due course in writing or otherwise as convenient to the Committee. In any case the Committee will deliver its decisions within three months of the conclusion of the process.
- 42 The Disciplinary Panel and/or the Court (as applicable) may make, and publish in such manner as it thinks fit, including on the UIPM website, such decisions and orders as meet the justice of the case.
- 43 The UIPM Secretariat will retain a record of all decisions and orders of the Disciplinary Panel and/or the Court (as applicable).

- I will not compete at the Event.
- I will be willing to answer the questions of stakeholders (including but not limited to athletes, coaches, organisers or horse owners and my colleagues). I will take the time to politely and objectively explain my decisions where possible.

- I will cooperate with the Organiser of the Event and with my colleagues.
- I will be punctual and dress appropriately.

I commit to avoid any actual or perceived conflict of interest. A conflict of interest is defined as any personal, professional or financial relationship, including relationships of family members that could influence or be perceived to influence objectivity when representing or conducting business or other dealings for or on behalf of UIPM.

I will maintain a neutral, independent and fair position towards athletes, coaches, organisers or horse owners and other officials. Financial and/or personal interests will never influence my officiating duties and I will spare no effort to avoid any such perception.

I will not engage in nationalistic judging.

Activities that lead or may lead to a conflict of interest when officiating at an Event include but are not limited to:

Employees of participating National Federations cannot act as President of the Jury, President of the Appeal Committee, Medical Delegates, Veterinary at UIPM International Events, World Cup Finals, World Championship and Continental Championships.

On becoming aware of a potential Conflict of Interest I undertake to promptly notify the UIPM Secretary General (or where the conflict only arises and/or is identified on-site, the President of the Technical Committee) of any of the above or other possible conflicts of interest or circumstances that may be perceived as such. Conflicts must be avoided whenever practicable. However, conflicts may be linked to experience and expertise that is necessary to qualify Officials.

In the course of my duties or when representing the UIPM, I will refrain from making any public statements, including to the media or in social media, that might cause harm to the UIPM or to modern pentathlon sport in general. This includes statements that might create a perception of bias.

I will not place bets on Athletes competing at UIPM Events or otherwise receive any financial or other gain as a product of a particular result.

I am fully aware that the breach of any obligation assumed under the UIPM Code of Ethics and/or any breach of the UIPM Rules and Regulations may lead to sanctions as stipulated in the UIPM Rules.

UIPM BETTING AND ANTI-CORRUPTION RULES

EFFECTIVE AS OF NOVEMBER 10, 2018

UIPM BETTING AND ANTI-CORRUPTION RULES

ARTICLE 1: INTRODUCTION

- 1.1 The integrity of sport depends on the outcome of sporting events and competitions being based entirely on the competing merits of the participants involved. Any form of corruption that might undermine public confidence in the integrity of a sporting contest is fundamentally contrary to the spirit of sport and must be eradicated.
- 1.2 The Union Internationale de Pentathlon Moderne ("UIPM") has adopted these rules ("Rules") as a means of safeguarding the integrity of the sport of Modern Pentathlon (the multi-disciplinary sport comprising fencing, swimming, horse riding, shooting and running or any combination thereof) by (i) prohibiting any conduct that may impact improperly on the outcome of its events and competitions and (ii) establishing a mechanism of enforcement and sanction for those who, through their corrupt conduct, place the integrity of fencing at risk.
- 1.3 In these Rules "Modern Pentathlon" includes, as far as the context permits, every combination of the five sports including World School Biathlon (running and swimming), Biathle (continuous run/swim/run), Laser Run (running and shooting combined event) Triathle (any 3 sports) and Tetrathlon (any 4 sports).
- 1.4 UIPM is committed to taking all practical and reasonably possible steps within its power to prevent corrupt practices that would undermine the integrity of the sport of fencing. This commitment shall include:
 - a) raising awareness of these Rules at all levels, including using existing and/or suitably adapted educational programmes and tools to provide information and educational materials to the widest possible target audience;
 - b) establishing the best means of monitoring sports betting at International competitions, including monitoring any irregular betting patterns that may occur;
 - c) establishing the best means for the receipt of third party information on a confidential basis, for example, by establishing an information 'hot-line';
 - d) establishing and, where appropriate, making use of effective channels for the exchange of intelligence and information related to the investigation and/or

prosecution of violations under these Rules;

e) co-operating with competent national and international authorities where information in its possession may also amount to or evidence infringements of other applicable laws or regulations; and

f) exchanging information with partners in the Olympic Movement (through ASOIF or otherwise) on acknowledged areas of best practice in relation to combatting corruption in sport.

ARTICLE 2: APPLICATION AND SCOPE

- 2.1 These Rules shall apply to all participants who participate or assist in an International competition and each Participant shall be automatically bound by, and be required to comply with, these Rules by virtue of such participation or assistance.
- 2.2 It shall be the personal responsibility of every participant to make himself aware of these Rules including, without limitation, what conduct constitutes a violation of the Rules and to comply with those requirements. Participants should also be aware that conduct prohibited under these Rules may also constitute a criminal offence and/or a breach of other applicable laws and regulations. Participants must comply with all applicable laws and regulations at all times.
- 2.3 Each Participant submits to the exclusive jurisdiction of UIPM (through the UIPM Disciplinary Panel and the UIPM Court of Arbitration) to hear and determine charges brought by UIPM and to the exclusive jurisdiction of CAS to determine any appeal from a UIPM Court of Arbitration decision.
- 2.4 Each Participant shall be bound by these Rules until a date 6 months following his/her last participation or assistance in a competition. Each participant shall continue to be bound by these Rules in respect of his/her participation or assistance in competitions taking place prior to that date.
- 2.5 It is recommended that Members and Continental Confederations put in place similar rules and regulations to safeguard the integrity of competitions held under their respective jurisdictions.
- 2.6 Notice under these Rules to a Participant who is under the jurisdiction of a Member or Continental Confederation may be accomplished by delivery of the notice to the Member or Continental Confederation concerned. The Member or Continental Confederation shall be responsible for making immediate contact with the participant to whom the notice is applicable.

3.5 Other violations

(a) Any attempt by a Participant, or any agreement by a Participant with any other person, to engage in conduct that would culminate in the commission of any violation of this Rule 3 shall be treated as if a violation had been committed, whether or not such attempt or agreement in fact resulted in such violation. However, there shall be no violation under this Rule 3 where the Participant renounces his/her attempt or agreement prior to it being discovered by a third party not involved in the attempt or agreement.

(b) Knowingly assisting, covering up or otherwise being complicit in any acts or omissions of the type described in Rule 3 committed by a Participant.

ARTICLE 4. BURDEN AND STANDARD OF PROOF

4.1 UIPM or other prosecuting authority shall have the burden of proving that a violation has occurred under these Rules. The standard of proof shall be whether UIPM or other prosecuting authority has proved a violation to the comfortable satisfaction of the Disciplinary Panel, a standard which is greater than the mere balance of probability but less than proof beyond a reasonable doubt.

4.2 Where these Rules place the burden of proof on the Participant alleged to have committed a violation to prove facts or circumstances, the standard of proof shall be by a preponderance of the evidence.

4.3 The Disciplinary Panel shall not be bound by judicial rules governing the admissibility of evidence and facts may be established by any reliable means, including but not limited to, admissions, evidence of third parties, witness statements, expert reports, documentary evidence and other analytical information.

4.4 The Disciplinary Panel shall have discretion to accept any facts established by a decision of a court or professional disciplinary tribunal of any competent jurisdiction which is not subject to a pending appeal as irrefutable evidence against the Participant to whom the decision relates unless the Participant establishes that the decision violated the principles of natural justice.

4.5 The Disciplinary Panel shall be entitled to draw an adverse inference against any Participant who is accused of committing a violation if that Participant fails to appear in front of the Disciplinary Panel if requested to do so a reasonable time in advance of the hearing, or fails to comply with any information request that has been submitted in accordance with these Rules.

ARTICLE 5. INVESTIGATING AND ADJUDICATING A BREACH

5.1 Any allegation or suspicion of a violation of these Rules shall be reported to UIPM for investigation and possible charge in accordance with the UIPM Code of Ethics, except as specifically stated herein.

ARTICLE 6. AMENDMENTS AND INTERPRETATION

6.1 These Rules may be amended from time to time by UIPM.

6.2 Betting and anti-corruption rules are, by their nature, competition rules governing the conditions under which the sport of Modern Pentathlon as well as other UIPM multi-discipline sports are to be held. They are not intended to be subjected to or limited by the requirements and legal standards applicable to criminal proceedings or employment matters. The policies and standards set out in these Rules as a basis for the fight against corruption in the sport represent a broad consensus of those with an interest in fair sport and should be respected by all courts and adjudicating bodies.

6.3 These Rules shall be interpreted as an independent and autonomous text and not by reference to existing law or statutes, except UIPM Statutes.

6.4 The headings and sub-headings in these Rules are for convenience only and shall not be deemed to be part of the substance of these Rules or to affect in any way the language of the provisions to which they refer.

6.5 The Definitions in Article 7 shall be considered an integral part of these Rules.

6.6 All references to the masculine gender in these Rules shall also include references to the feminine.

6.7 If any Rule or provision of these Rules is held to be invalid, unenforceable or illegal for any reason, it shall be deemed to be deleted and the Rules shall
