On the twenty seventh and twenty eighth days of November in the year two thousand and twenty one, I **LUIS NEIL HYDE-VAAMONDE** of the City of London, England **NOTARY PUBLIC** by royal authority duly admitted, sworn and holding a faculty to practise throughout England and Wales, at the request of the **UNION INTERNATIONALE DE PENTATHLON MODERNE**, with headquarters located at Stade Louis II, Entrée C, 19 Avenue des Castelans, MC-98000, Monaco (hereinafter called "**UIPM**") did participate in video conferences at the offices of **LUMI HOLDINGS LIMITED** (hereinafter called "**LUMI**") of Armoury House, Midhurst Road, Liphook, Hampshire, GU30 7ZA, United Kingdom who were also represented, for the purposes of validating the voting results and procedures for certain decisions to be adopted and elections to be held during the course of the 2021 Congress ("the Congress") which took place in Monaco and simultaneously by video conference on such dates, the voting at such Congress having been conducted and validated through the operation of the **LUMI** Online Voting Platform ("the Platform");

AND I DO CERTIFY THAT during the course of such voting I observed, **KATIE ANNE HARDING** and **ALEXANDER HAMPSHIRE**, **LUMI** technicians ("the Technicians") open and close the Platform when instructed by me to do so, I having first satisfied myself that the relevant quorum was present in respect of each decision or election and that in each instance only eligible delegates were able to vote;

AND THAT during the entire voting process the only persons present at the voting operations desk together with myself were the Technicians and that whilst any particular vote was open the Technicians did not take any other action on the Platform;

AND THAT hereunto annexed bearing my signature and seal of office are print records of the voting result reports, generated by the Platform for the votes held during the course of the said remote Congress;

AND THAT such records were transmitted to me via electronic mail by the Technicians immediately after the result of the votes cast, and the contents of such reports contain a true and accurate transcript of the anonymised voting records and statistics as observed by me on the Platform's monitor.

IN FAITH AND TESTIMONY WHEREOF I the said notary have affixed my electronic seal and qualified electronic signature to this document in England and Wales on the twenty eighth day of November in the year two thousand and twenty one.
