In 2017(2018) he initiated, promoted and supported construction of Modern Pentathlon complex “Severn” on the basis of Modern Pentathlon Academy in Moscow. This is a modern complex with the possibility to hold round the year indoor competitions in all the disciplines of Modern Pentathlon. Inside the complex is Modern Pentathlon Museum, built with all up to date facilities, it is open on a daily basis and is full of attractive entertainments, videos, interactive games, all dedicated to Modern Pentathlon. The museum was open in 2021 and since that time was visited by hundreds of schoolchildren, athletes, guests and officials.
